Since its inception as a Flower Festival in the 1970's with an ever-increasing programme of events, Fladbury villagers have proudly welcomed thousands of visitors (and locals) each year to share their "hidden treasures".

With its village green and two traditional hostielies, Fladbury embraces one of the most picturesque stretches of river in the country, which can be seen to best advantage from a boat trip or by taking the wire ferry over to the mill and lock. Take a stroll around the open gardens and enjoy a flower festival, or relax and enjoy the street entertainments. There will be something to delight all ages and tastes.

However you choose to spend the day, you will be helping raise valuable funds to maintain the fabric of our historic village churches and helping local charities.

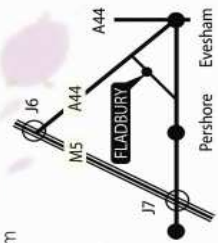

**Attractions**  
Renowned Annual Flower Festival; 2011 theme is "A Flower Arranger's World", up to 30 beautiful Private Gardens, Boat Trips, Wire Ferry, Static Engines, Classic Cars, Photographic & Local History Exhibition & Historic Mills.

**Entertainments & Events**  
Jazz and Brass Bands, Morris & Clog Dancing, Clowns & Jugglers, Childrens Activities, Fun Run (Sunday), Grand Prize Draw, Digital Photograph Competition (see [www.fladbury.com](http://www.fladbury.com) for categories).

**Refreshments**  
Lunches, ices, teas and cream teas

**Stalls**  
Crafts, Fair Trade, Plants, Books, Home Made Cakes & Preserves, White Elephant.
